## **VOLUNTEER WORK AND TRAVEL**

---

- While focusing on the rearing of my children, have worked as an artist with a few commissions, collaborations with local artists in Chattanooga, classes offered privately and for groups. Also involved with local theatre- sets, costumes, makeup, and a few roles and have gained valuable experience delegating tasks to and teaching children during this time.
- Through helping with family business, have had the opportunity to travel a great deal over the past few years. Attended art shows, blogged, toured, photographed...anything to absorb local cities. As an artist, these journeys have proven to be invaluable. By traveling with three young kids, learned to share these experiences with young people and implement into classroom instruction.
- Volunteered for CAST Kidz theatre company in Anniston, AL- as well as my kids' school's (The Donoho School in Anniston, AL) spring musical in 2018 and 2019, currently working on 2020 production of Peter Pan, mostly costume and set work.
- Choir member and VBS art coordinator for Grace Episcopal church- where the theme in 2018 was "fine arts camp;" students enjoyed creating fine arts projects throughout the week. Also served as art coordinator at Church of the Good Shepherd (Episcopal)- Lookout Mtn, TN for several years. Through church, have also helped organize Foothills summer camp- a free day camp in Anniston (2007- present).
- Appointed to Calhoun County Beautification Board in 2019, served on several boards in Chattanooga including WTCI, Young Professionals of Chattanooga, as well as Individual Artist Fellowship (IAF).
